WHAT WE DO

We help performance-focused advertisers find the right users, faster. The secret? We ask.

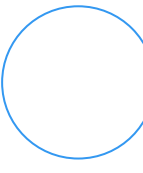

Using a unique approach to content, we engage consumers at all stages of the customer lifecycle with questions that matter to you. By delivering only users whose answers match your requirements, we ensure every lead is a high-intent consumer.

USER INSIGHTS

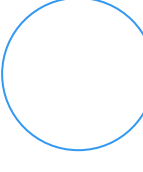

Data is key to what we do. By collecting unique insights into user beliefs, interests, and personal details, we can create relevant experiences while also matching the right user to the right advertiser at the right time.

Here's a sample of data we collect to help you find the right prospect.

-
-

FORMATS

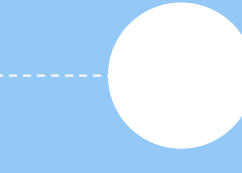

Landing Page Link-Out Enhanced Link-Out Field Host and Post Offer Wall

Select your billing preference, CPC or CPA.

Configure your prerequisite questions and the corresponding answers required to qualify a lead and generate a click.

Users whose answers match your requirements are invited (and linked out) to your landing page.

FORMATS

Landing Page Link-Out Enhanced Link-Out Field Host and Post Offer Wall

Select your billing preference, CPC or CPA.

Configure your prerequisite questions and the corresponding answers required to qualify a lead and generate a click.

Users whose answers match your requirements are invited (and linked out) to your landing page. We also pre-populate your landing page form. This way, your lead only needs to hit "enter."

FORMATS

Landing Page Link-Out Enhanced Link-Out Field Host and Post Offer Wall

Select your billing preference, CPC or CPA.

Configure your prerequisite questions and the corresponding answers required to qualify a lead and generate a click.

User submitted info that matches your requirements is auto submitted to your CRM or database while the user continues engaging with our form. Contact us for more customizations.

FORMATS

Landing Page Link-Out Enhanced Link-Out Field Host and Post Offer Wall

Select your billing preference, CPC or CPA.

Configure your prerequisite questions and the corresponding answers required to qualify a lead and generate a click.

Because we can ingest a dynamic revenue click postback, users whose answers match your requirements are shown an offer wall with multiple customized choices.
